

23 June 2017

888 Holdings Public Limited Company

("888")

The CMA announced on Friday 23 June 2017 that it is launching enforcement action against a number of online gambling firms. 888, one of the world's most popular online gaming entertainment and solutions providers, confirms that it is not one of the operators under investigation by the CMA. 888 is committed to providing the safest and most enjoyable gaming entertainment for customers.
